

RYLA Questionnaire

My Name is: _____

Every year at RYLA we find that students that have been given the privilege of attending this incredible retreat know very little about Rotary and/or the Rotary Club that sponsored them. It is important that everyone is aware of the opportunities that are in front of them and it starts with us knowing about each other. Please interview your Club Contact for this information, fill out this form as best you can and bring it with you to the RYLA retreat!
