Identifying Appropriate Applicants

It is important to identify students we sponsor for RYLA who will truly benefit from the experience and will be leaders on their return to school. Students that are selected to attend the *Rotary Youth Leadership Awards* should be well prepared for the experience, and be aware of the sponsoring organization.

Policies regarding the eligibility and selection of student participants have evolved over the years.

Student participants should be high school **sophomores or juniors**, under the age of eighteen at the time of RYLA.

Participants may **NOT** have attended previous a RYLA

District 5240 highly recommends that you send your **Interact President-Elect** to RYLA.

This practice has greatly grown and improved our District's Interact clubs recently.

The RYLA program has proven to be a driving force in founding new **Interact Clubs**.

Participation by Non-Interact members, especially in schools without **Interact Clubs**, will prove beneficial in growing Interact membership.

The RYLA Committee encourages the selection and participation of current and former **Youth Exchange Students**.

Your club has discretion regarding the students they send. If the students do not meet the suggested criteria, they are still welcome, but please be sure to keep as close to our guidelines as possible. Be sure that the student will not be a distraction to the RYLA staff or other students.

Students must agree to a behavior code and can be sent home for inappropriate behavior.

Relatives of Rotarians are permitted to attend RYLA. However, some clubs may not be legally allowed to pay for the tuition from their non-profit accounts. In this case, tuition may be paid by the Rotarian and not their club. Check with your club's treasurer.

Publicizing Application for RYLA

- Invite the RYLA Chair or member of the RYLA administrative staff to be the program at one of your weekly meetings.
- Provide applications at your regular weekly meeting. Many Rotarians know outstanding young people within the community.
- Send a letter to the principal of all the high schools within your area. Identify schools that other clubs are not approaching, and avoid overlapping efforts. Extend your search for applications to other leaders at local high schools. Seek out the ***Band Director, Athletic Coaches*** and ***Club Advisors***.
- Preference may be given to, but should not be limited to, **Interact Club** members and in particular, the **Interact President-Elect**. Clubs should also seek individual applications through **Scouting, churches, Junior Achievement, and Community Athletic Programs**.
- Make a presentation to **Interact** club members. Participation by **Non-Interact** members, especially in schools without **Interact Clubs**, will prove beneficial in growing **Interact** membership. Include the **Interact Advisor** in the planning process and ask for input during one-on-one meetings. DVDs of previous events are available from RYLA chairpersons or Group Reps.
- Students who have attended RYLA the previous year should be contacted to spread the word among the current sophomores and juniors about this great program. Provide them with applications to pass on to their friends and acquaintances.
- Submit a **Press Release** to **local newspapers, school newspapers** and **cable TV providers**.

Application Review

- The process of reviewing Applications is as Follows:
- The Committee reviews applications and determines who would be interviewed.
- Unless there are an excessive number of applicants, consideration should be given to interview all students. There is a benefit and learning experience for the students who go through this process.
- All the Club RYLA Committee Members should review the twenty sample questions and prioritize the ones that each wants to ask. The whole committee then works on the final selection process of questions that will be asked of every student.
- Arrange for an appropriate time and place for conducting the RYLA interviews.
- Send a letter to each student notifying them of the day, time and location of interviews.
- Allow 10- 15 minutes for each interview. Each student should be asked the same questions.
- Each interviewer grades the responses and some quality attribute.
- The **School Team Leaders** and the **Committee Chair** then meet and determine an overall selection and prioritization of the applicants.
- Send letters to students who were selected for participation.
- Send letters to students who were selected as alternates for participation.
- Send letters to students who were rejected for participation.
- Send letters to each school notifying the Principal and school contacts of the results of the selection process. Invite these people to a Rotary meeting.
