

# ROTARY DISTRICT 5240 RYLA CAMP

## STUDENT DROP OFF INSTRUCTIONS

1. All Drivers enter Camp Ramah at the **Front Gate** off Fairview Road (a left off Fairview). A guard at the gate will be asking for the names of the students you are dropping off. You will not be allowed access without students whose names are listed. Volunteers, not transporting students, will be on the list and allowed access with photo ID.
2. Drivers delivering students stop at the **Gazebo** area and drop off their students for registration.
3. Drivers and student luggage proceed immediately to the **Cabin Area** where they will be assisted with the unloading of the luggage.
4. Drivers then continue around the camp loop, as shown, to exit the camp.

Please understand the camp road is narrow. Parking on the road for any length of time will cause traffic problems for others. If needed, parking is available just inside the front gate. All other parking areas are exclusive to RYLA volunteers, instructors and presenters.

Please be certain all luggage has a name tag.
